Notice for Saturday Club Activities

Dear Parent

It is to apprise you of the Saturday Club activities which are meant for students who have flair in any field of learning. The purpose of these activities is to further hone their talents in elocution, extempore, debate, creative writing, quiz, mathematical and scientific skills. This is an initiative on our part to groom students with respect to their capabilities, interests and inclinations.

We, at our Academy, always strive to cater to the needs and abilities of all the pupils. Students who are yet to match their potential with their performance are given special attention and are taken care of in various ways by the teachers. Hence, we feel, there is also a need to nurture and cultivate the talents of those children who show an aptitude in certain activities.

We hope that you would appreciate our efforts and support us in this endeavour.
