

LAKSHMIPAT SINGHANIA ACADEMY
12-B ALIPORE ROAD, KOLKATA 700 027

Dear Parents

Every year our nation requires about 4 crore units of blood. Out of this only 40 lakh units of blood are available and the demand is escalating. It goes without saying that gift of blood is the gift of life. We at Lakshmipat Singhania Academy are attempting to be a part of this movement by holding a blood donation camp on **Saturday, September 29th, 2018 from 09:00 a.m. to 01:00 p.m.** in our school premises. This will inspire our students to contribute to the society meaningfully, in the future.

However not all are eligible for blood donation. According to the blood bank norms the following cannot be a part of the blood donation camp

- ✓ 18 years and below
- ✓ Diabetic – taking insulin and B.P. above 140/90
- ✓ Those who have had an attack of jaundice, typhoid and dengue in last six months
- ✓ Those who have been on any antibiotic course in the past 2-3 days / vaccine in last 6 months
- ✓ One who has undergone tooth extraction in last six months.
- ✓ Anyone who has undergone bypass surgery, angioplasty or has a pacemaker implant or icd
